## LADIES SECTION

*Welcome to the Stoke Rochford Ladies pages where we hope to bring you a monthly up-date on news, events, competitions, results and lots more.*

The Golfing Season is now in full-swing with lots of events and competitions taking place. The trees on the course have burst into leaf, and after a cool dry spell the meadow grass and rough are starting to grow.

Things to look out for on the course:

The Buzzards

The Swans with their cygnets

*PAM & PAULINE

Twelve Stoke Rochford Ladies travelled to Kenwick Park to participate in the County Championship competitions. The first day qualifying (36 holes) saw our 6 ladies- Pam Watson, June Miller, Rachel Jones, Chris Rowley, Penny Hallam & Sue Booth all qualify for the following day matchplay stage.

Unfortunately none of our ladies progressed further but well done for getting as far as they did.

We had 5 ladies play in the Butlin trophy (18 hole), sadly we didn't have a winner in this competition, however on the final day Pam Watson & Pauline Haggerty won the Best Nett Prize in the Foursomes competition.
